School Supply Information and Checklist
2015 – 2016

The student supplies listed will be used throughout the school year. Please purchase these items and have your child bring the supplies with him/her on the first day of school. Please also remember that your child's school supplies will get used up during the year, consequently, some of the items on this list will need to be replenished.

Please note that the students have a limited amount of space in their desks. Buying larger quantities of items or extra student supplies only limits the amount of space your child has and very often leads to disorganization. Please keep all play items and toys at home, unless requested by your child's teacher.

GRADES K-8:
Please mark all lunch boxes and shoes! Please choose your child's indoor shoes carefully; most shoes with black soles will probably leave black marks in the hallway.

Kindergarten:
In case of spills or accidents, please sent an extra set of clothes (socks, underwear, pants, shirt) inside of a marked gallon zip-loc bag.

GRADES K-4:
All supplies will be shared this school year. **Please do not mark any supplies**.
